### LANGUAGES

- English (Basics)
- Japanese N3 (On learning)

### PROFILE

I am a 4th year student at the University of Information Technology. Currently looking for opportunities to improve skills and knowledge of programming languages as well as get hands-on experience.

### EDUCATION

- **University of Information Technology** 2021 - PRESENT  
Vietnamese - Japanese quality Information Technology

### CAREER OBJECTIVE

My near-term goal is to become a skilled Full-Stack Developer. Additionally, I aspire to be a valuable employee who can design and implement advanced technology solutions, contributing to the growth and innovation of the company.

In the long run, I aim to take on a leadership role, such as a Project Manager or a key position within the company. If possible, I hope to establish my own information technology company.

### WORK EXPERIENCE

- **Toppa Solution** 01/2024 - 2/2024  
Fresher Java Developer
